Challenge Cup
ST-LAWRENCE YACHT CLUB
1892
FOR ANNUAL COMPETITION

HISTOIRE

Le plus impressionnant des trophées de notre yacht-club, la « Challenge Cup » (Coupe du défi), fut offerte en 1892 par Sir Donald A. Smith pour la compétition annuelle. À noter que le trophée est dédié au St. Lawrence Yacht Club, celui-ci n'ayant reçu son mandat « royal » de la reine Victoria qu'en 1894. Sir Donald devint Lord Strathcona en 1897 et le trophée fut depuis désigné comme étant la Coupe Lord Strathcona.

La première course annuelle de la Coupe Strathcona eut lieu le 1er juillet 1892. Le gagnant était un membre de 29 ans du nom de G. Herrick Duggan sur son yacht « Velda ». Il se fit connaître à son propre compte en peu de temps. Les courses ont continué presque sans interruption jusqu'à ce jour. La liste de gagnants est virtuellement une histoire de notre club.

AUTRE INFORMATION

Rt. Honorable Lord Strathcona and Mount Royal

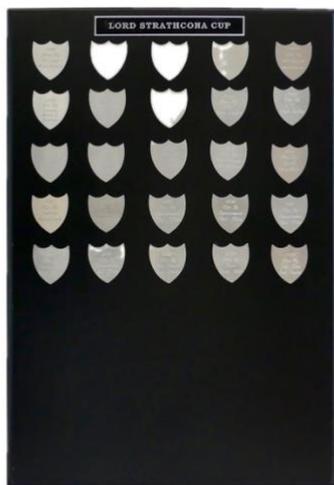

(Rt. Honorable Lord Strathcona and Mount Royal Honorary Commodore 1894-1913)

Donald Alexander Smith fut l'un des Écossais qui, au 19^e siècle, développèrent Montréal en la Métropole financière du Canada. Né en 1820, il arriva au Canada à l'âge de 18 ans afin de travailler pour la Compagnie de la Baie d'Hudson. Sa première affectation fut au Labrador où il travailla pendant 17 ans. Par la suite, il déménagea à Montréal et y assumait des responsabilités croissantes au sein de la CBH devenant éventuellement son 26^e gouverneur en une carrière qui dura 75 années.

Un homme de grand talent, il participa à la formation de nombreuses entreprises, notamment la compagnie de chemin de fer du Canadien Pacifique dont il fut le cofondateur avec son cousin George Stephen (Lord Mount-Stephen). Il enfonça le célèbre « dernier crampon » du chemin de fer en 1885. Il y fut également un administrateur de longue date et Président de la Banque de Montréal.

Un grand philanthrope, il cofonda l'Hôpital Royal Victoria parmi de nombreuses autres contributions. Sa carrière de diplomate et d'homme politique est un peu moins connue de nos jours. En 1869, il négocia avec Louis Riel pour mettre fin à la Rébellion de la rivière Rouge. Les négociations menèrent à la création de la province du Manitoba où il fut élu à la Chambre des communes (1871-1880). Plus tard, il devint député de Montréal-Ouest (1887-1896). Il occupa également le poste de Haut-Commissaire du Canada à Londres (1896-1914).

Nous avons la chance d'avoir eu Lord Strathcona comme fondateur du Yacht-Club Royal Saint-Laurent et en tant que Commodore honoraire de 1894 à 1913. Quand il mourut à l'âge de 93 ans, on spéculait qu'il était l'homme le plus riche de l'Empire britannique.

HISTOIRE

In the 1898 competition between Seawanhaka and the Royal St. Lawrence Yacht Club, the Canadians put an inland lake scow with a tunnel hull by the name of Dominion on the line and were promptly protested: it was claimed that Dominion was a catamaran and did not, for that reason, measure in. Seawanhaka lost the protest and the regatta.

FRIDAY FUN RACES
CHAMPION

HISTOIRE

En 1998, Frank Edward Collins, commodore en 2002-2003, souhaitait amener le plus grand nombre de voiliers à faire des régates par simple plaisir. Il a donc instauré les « Friday Fun Races ». Le premier trophée fut fabriqué à l'aide de papier d'aluminium aux allures de Coupe Stanley, pour le plaisir de tous.

Dédié à: RSTLYC Club Championship

Inscription: R.C. STEVENSON
MEMORIAL TROPHY

HISTOIRE

Donated by members of the Royal St Lawrence Yacht Club as a perpetual challenge trophy for the Club Championship. The RStLYC Club Championship was first established in 1952 and the Erica II Trophy was awarded from 1952 to 1982. In 1983, the Erica II Trophy was retired and replaced by the R.C. Stevenson Trophy.

Championship determined by a series of races between individuals class champions sailed-off in a one-design class.

HISTOIRE

This was the Royal visit in June 1959 by the Queen (Elizabeth II) and her husband Prince Philip aboard the Royal Yacht Britannia at Brockville Yacht Club. Prince Philip raced in this regatta using his own boat which was carried aboard the Britannia. This trophy was presented to the winner, George Layton, by Prince Philip, the Queen's husband. Despite what is engraved on the trophy.

WINCH HANDLE 1978

Statut: **ACTIF**

Largeur: 29 cm
Hauteur: 14 cm
Profondeur: 3 cm

Dédié à: Perte d'une manivelle de winch

Inscription: (nil)

HISTOIRE

Afin d'apporter une touche humoristique à la remise des prix de voile, en 1978, une poignée de winch (poignée de treuil) en bois a été remise à l'individu qui a malencontreusement jeté une réelle poignée de winch dans le lac Saint-Louis. En 2023, une bonne poignée vaut environ 150 \$.

AUTRE INFORMATION

Novembre 1993

Toute sa vie durant, George Hamilton a pratiqué la voile pour le plaisir et pour la compétition. Il a toujours cru que la participation et le plaisir de naviguer comptait plus que tous les trophées. L'un des marins le plus décoré de sa génération, il a été instrumental dans les succès des compétitions de voile du Club.

D'une nature très généreuse, George a donné beaucoup de son temps au développement du sport de la voile dans le tout Montréal, avec comme résultat de placer le YCRSTL au premier échelon parmi les compétiteurs canadiens. Il a servi le Club de différentes façons entre autre en devenant Commodore en 1936 et 1937. Par enthousiasme et par amour de la voile, il a créé l'Équipe de Voile Jeunesse en 1949. Cet escadron est intrinsèque à la vie du Club et a produit de nombreux marins de classe mondiale depuis ses débuts.

C'est en reconnaissance de ses nombreuses réalisations et innombrables services rendus au Club que nous instituons de façon posthume le Prix George Hamilton. Ce prix peut être remis à chaque année, lors de la Remise de prix, à une personne qui, hors de l'eau ou sur l'eau, personnifie l'esprit de l'un de nos membres les plus distingués. Ce prix peut reconnaître autant les succès lors de compétitions, que les réalisations pour le Club et pour le sport en général.

Les nominations pour ce prix doivent être acheminées au Comité de Voile et aux Officiers du Club. La décision finale revient au Commodore et au Directeur du Comité de voile.

November 1993

George Hamilton was a life-long sailor and competitor who believed that participation and the enjoyment of sailing counted more than winning trophies. One of the most successful competitors in his generation, he was a key element in many of the Club's racing successes throughout his sailing career.

George was a very generous person who devoted a large part of his free time to promote the sport of sailing in the great Montreal area. This helped bring the RStLYC to the forefront of the Canadian sailing community. He served the Club in many capacities, including as its commodore in 1936 and 1937. His enthusiasm and love of sailing led him to found the Junior Squadron in 1949. The Junior Squadron is a very active part of the Club and has consistently produced world class sailors since its inception.

In recognition of his achievements and service to the Club, The Royal St. Lawrence Yacht Club is introducing the George Hamilton Memorial Award. This award is to be presented each year at prizegiving to recognize a member who, on the water or off, best exemplifies the spirit of one of our most distinguished members. The award can thus recognize success on the race course, or achievements and services to the club and the sport on shore.

Nominations for this award are to be presented to a committee made up of members of the Sailing Committee and the Flag Officers. Final selection will be determined by the Commodore and the Sailing Committee Chairperson.

FRIDAY FUN RACE

HISTOIRE

En 1998, Frank Edward Collins, commodore en 2002-2003, souhaitait amener le plus grand nombre de voiliers à faire des régates par simple plaisir. Il a donc instauré les « Friday Fun Races ». Le premier trophée fut fabriqué à l'aide de papier d'aluminium aux allures de Coupe Stanley, pour le plaisir de tous. Ce trophée fut offert par Eve Collins, son épouse, en mémoire de son défunt mari.

HISTOIRE

Le plus impressionnant des trophées de notre yacht-club, la « Challenge Cup » (Coupe du défi), fut offerte en 1892 par Sir Donald A. Smith pour la compétition annuelle. À noter que le trophée est dédié au St. Lawrence Yacht Club, celui-ci n'ayant reçu son mandat « royal » de la reine Victoria qu'en 1894. Sir Donald devint Lord Strathcona en 1897 et le trophée fut depuis désigné comme étant la Coupe Lord Strathcona.

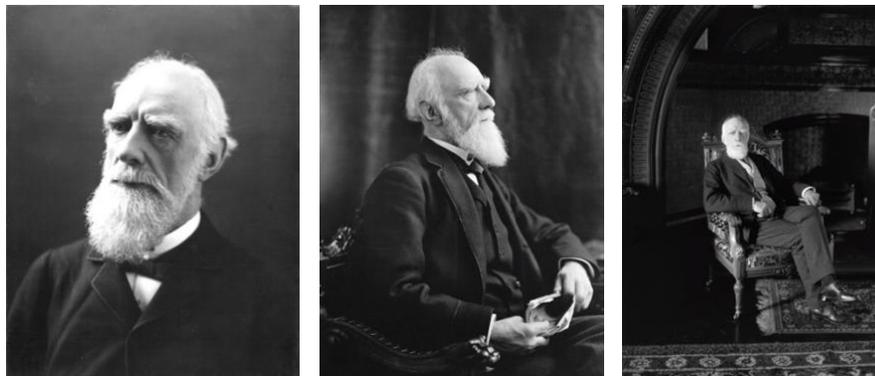

La première course annuelle de la Coupe Strathcona eut lieu le 1er juillet 1892. Le gagnant était un membre de 29 ans du nom de G. Herrick Duggan sur son yacht « Velda ». Il se fit connaître à son propre compte en peu de temps. Les courses ont continué presque sans interruption jusqu'à ce jour. La liste de gagnants est virtuellement une histoire de notre club.

COUPE PATRICK FLAHERTY CUP
MANQUANT et à compléter

HISTOIRE

La microbrasserie McAuslan a lancé sa première bière en février 1989. La bière blonde St-Ambroise est reconnue. McAuslan détient aussi les deux marques Griffon blonde et rousse. En 2013, Peter McAuslan se retire et vend son entreprise aux Brasseurs RJ.

La **Régate pour l'AQVA** est une régates de bienfaisance qui vise à recueillir des fonds pour permettre à l'AQVA de continuer à offrir aux personnes ayant des limitations physiques l'occasion de découvrir les joies de la voile sur le lac Saint-Louis. Patrick Flaherty a connu l'AQVA en 2011 par l'entremise de son amie, Paula Stone, qui avait besoin de marins retraités pour accompagner les membres de l'organisation dans les voiliers Martin 16. Au cours de l'année suivante, il a eu accès aux données financières de l'organisation et réalisé que le manque d'argent était un enjeu récurrent. Ayant une formation en vente et en marketing, il s'est dit que son bénévolat pourrait être encore plus utile en recueillant des fonds et il a commencé à recruter d'autres membres du Yacht-Club Royal Saint-Laurent (YCRSTL), son port d'attache. Son ami David Wisenthal propose alors le concept d'une régates caritative.

Avec le soutien total de l'exécutif du YCRSTL, la Régates pour l'AQVA a été lancée en 2013, dans le cadre des célébrations du 150^e anniversaire du club.

En 2023, on renomme cette coupe : COUPE PATRICK FLAHERTY CUP

for
Women SYLVYRA Championship

(Redeeded in 2005 as
The Myrtle Cook Trophy
Presented by
The St Lawrence Valley Yacht Racing

Association
to the winner of
The Female Skipper Race)

HISTOIRE

At the age of fifteen, Myrtle Cook was a member of the women's national track and field team. In July 1928, at the Olympic Trials in Halifax, she achieved the spectacular sprint time of 12 seconds in the 100-meter dash. She actually broke the world record by two tenths of a second but, for unknown reasons, this record was never made official.

During her lifetime, she was keenly interested in the development of women's sports organizations. In 1923, she founded the Toronto Ladies' Athletic Club, the first athletic club for women in Canada. Several years later, she directed the Toronto Canadian Ladies' Athletic Club and founded a branch in Montreal.

She moved to Montreal in 1929 when she married Lloyd McGowan. Here, she began a journalistic career at the Montreal Star with "In the Women's Sport Light", a column dedicated to women's sports, which she wrote for more than forty years. She was a pioneer in the field, and this went beyond simple sports reporting to the cause of women's sports. With her presence in various activities she was an active advocate for female participation in all kinds of sporting events and, amongst other things, championed racing on the lake in the 1960s.

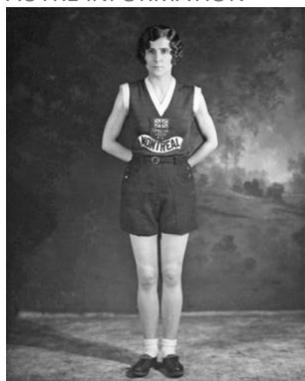

In 1949, she was inducted into the Canadian Olympic Hall of Fame and, six years later, into Canada's Sport Hall of Fame. In 1974, she was inducted into the Sports Pantheon of Quebec (Quebec Sports Hall of Fame). Each year, Athletics Canada awards the Myrtle Cook Trophy for the Young Athlete of the Year.

Myrtle Cook-McGowan, known as Lady of Sports in Canada, passed away March 18, 1985. She was an inspiration to many women, hence our trophy in her honour.

AUTRE INFORMATION

Myrtle Cook McGowan (www.historicacanada.ca)

After the Canadian team false started in the women's 4x100m relay final at Amsterdam 1928, the Americans led for the first half of the race once off clean. But by the time anchor leg runner Myrtle Cook took the baton from Jane Bell, she had a three yard lead and brought it home for the Olympic gold medal. Having set a world record of 12.0 seconds in the 100m at the Olympic Trials in Halifax, Cook was favoured to win the Olympic title at Amsterdam 1928. But after two false starts in the 100m final, Cook was disqualified and cried by the side of the track for half an hour. Cook was one of six women on Canada's first women's track team called the "Matchless Six" by the media at Amsterdam 1928. The group had a heroes' welcome when they returned to Canada, with ticker-tape parades in Toronto and Montréal and close to 200,000 people met them at Union Station in Toronto with another 100,000 along the parade route. A quiet and shy child, Cook was an all-around athlete excelling in tennis, ice hockey, basketball, bowling, cycling, and canoeing. She captured six Canadian titles in the 60 and 100 yards between 1927 and 1930, setting several Canadian records in both distances. Cook equaled American Betty Robinson's 100m world record on August 1, 1931. In 1929, Cook moved to Montréal to begin her 44-year career as a sports columnist for the Montréal Daily Star writing a weekly column "In the Women's Sport Light". She stayed involved in sport and was one of Canada's greatest advocates of women's sport committing her life to its advancement and was celebrated as "Canada's First Lady of Sport." Cook was on almost every Olympic Committee and British Empire/Commonwealth Games Committee from 1932 to 1972. Over the course of her lifetime, Cook was involved in 11 Olympic Games – as an athlete, coach, manager and reporter. She also organized softball and hockey leagues, and formed the Canadian Ladies Athletic Club becoming their first athletic director. During World War II, Cook was the track coach for the Canadian Armed Services team in the Montréal area. Cook was inducted into the Canadian Olympic Hall of Fame in 1949, and Canada's Sports Hall of Fame in 1955. (Official Olympic Team Website)

HISTOIRE

Ce trophée a été offert pour la première fois par Madame ... Vien en mémoire de son défunt mari, Paul G. Vien, lors de la compétition de voile AQVA qui a eu lieu au Yacht Club Royal Saint-Laurent. Elle était accompagnée de ses proches, dont Nicole Vien et Thomas Vien, toujours membres du Yacht-club en 2023. Ce trophée reconnaît l'apport exceptionnel d'un individu à la cause de l'AQVA.
